

## IN SPIRIT, IN TRUTH

Central Live

### VERSE 1

You can do no wrong  
For You are holy  
All You do is love  
And show mercy

### PRECHORUS 1

Just as we are  
Open our hearts to see  
All that You are  
You are our greatest need

### CHORUS 1

In spirit, in truth  
God we will worship You  
You're making us new  
We love to see You move  
In spirit and in truth  
God we will worship You

### VERSE 2

There's none more kind  
Close to the lonely  
So why would I hide  
You already know me

### PRECHORUS 2

Just as we are  
Open our hearts to see  
All that You are  
You are our greatest need

### CHORUS 2

In spirit, in truth  
God we will worship You  
You're making us new  
We love to see You move  
In spirit and in truth  
God we will worship You

Open the Heavens and rain down  
Every other well is empty  
Come, living water, fill us now

Open the Heavens and rain down  
Every other well is empty  
Come, living water, fill us now
