

LITTLE IS MUCH

Central Live

VERSE 1

Faith of a mustard seed
Can move the mountains
One simple offering
Can feed the thousands
It don't take much
That's what He does
So kingdom come
That's what we want

CHORUS

Little is much
When God is in it
Bring all you've got
See what He'll do with it
One day we'll look back
And we'll shout He did it
'Cause little is much
When God is in it

VERSE 2

Answer His call to come
Step out on the water
What might seem impossible
Is not with the Father
Just one touch
It don't take much
That's what He does
That's how He loves

CHORUS

Little is much
When God is in it
Bring all you've got
See what He'll do with it
One day we'll look back
And we'll shout He did it
'Cause little is much
When God is in it

Come receive
The impossible
The kingdom of Heaven is here
