INTRO

B E/G# B Eadd9

VERSE 1

B

In a garden full of broken branches

E/G#

Full of painful circumstances

B/F#

Can You heal me from this damage

Eadd9

'Cause You make beauty out of ashes

B

I tried my best to find the answers

E/G#

Went through hell but wanted Heaven

B/F#

And though I don't deserve forgiveness

Eadd9

You give more than second chances

CHORUS

B

Don't lose hope

F#sus4

Don't let go

C#m7

It's gonna, gonna grow again

Eadd9

It's gonna, gonna grow again

B

So just hold on

F#sus4

It won't be long

C#m7

It's gonna, gonna grow again

Eadd9

B

E/G#

This garden's gonna grow again

VERSE 2

B **E/G#**
 You're putting pieces back together
B/F# **Eadd9**
 From all the places I was scattered
B **E/G#**
 Now that You and I are finally tethered
B/F# **Eadd9**
 I'm gonna bear the fruit that matters

CHORUS

B
 Don't lose hope
F#sus4
 Don't let go
C#m7
 It's gonna, gonna grow again
Eadd9
 It's gonna, gonna grow again
B
 So just hold on
F#sus4
 It won't be long
C#m7 **B/D#**
 It's gonna, gonna grow again
Eadd9 **B** **F#sus4**
 This garden's gonna grow again, whoa
