INTRO

A D/F# A Dadd9

VERSE 1

A

In a garden full of broken branches

D/F#

Full of painful circumstances

A/E

Can You heal me from this damage

Dadd9

'Cause You make beauty out of ashes

A

I tried my best to find the answers

D/F#

Went through hell but wanted Heaven

A/E

And though I don't deserve forgiveness

Dadd9

You give more than second chances

CHORUS

A

Don't lose hope

Esus4

Don't let go

Bm7

It's gonna, gonna grow again

Dadd9

It's gonna, gonna grow

A

So just hold on

Esus4

It won't be long

Bm7

A/C#

It's gonna, gonna grow again

Dadd9

This garden's gonna grow again

VAMP

A D/F# Dadd9

VERSE 2**A**

You're putting pieces back together

F#m7

From all the places I was scattered

A/E**A/C#**

Now that You and I are finally tethered

Dadd9

I'm gonna bear the fruit that matters

CHORUS**A**

Don't lose hope

Esus4

Don't let go

Bm7**A/C#**

It's gonna, gonna grow again

Dadd9

It's gonna, gonna grow

A

So just hold on

Esus4

It won't be long

BRIDGE**A**

You are the vine, we are the branches

D/F#

Here comes the rain, here comes the harvest

A/E

Pour out praise

Dadd9

'Cause this garden's growing, growing

A

You are the vine, we are the branches

D/F#

Here comes the rain, here comes the harvest
