VERSE 1

The old is gone
The new is come
Now we can see
Now we can see
We're moving on
Feelin' strong
Cause we believe
Yes we believe

PRECHORUS

Oh we'll never be the same
This perfect love is making waves

CHORUS

Oh He's doing something brand new
Bringing out the good in me and you
Righting all our wrongs, we know it's true
Oh He's doing something, something brand new

VERSE 2

Come on in
Life is here
The door is open
Heaven is open
Forget your fear
His love is near
Faith is in motion
Wherever He's going

PRECHORUS

Oh we'll never be the same
This perfect love is making waves

CHORUS

Oh He's doing something brand new
Bringing out the good in me and you
Righting all our wrongs, we know it's true
Oh He's doing something, something brand new

What once was desert now
Rivers are flowing, flowing
What once was barren ground
Gardens are growing, growing
