

SUNDAY MORNING

Central Live

VERSE 1:

There was something in the air that Sunday morning
As light was breaking through, a new day dawned
The earth it started shaking
When the angel came from Heaven
And rolled away that old Roman stone

VERSE 2:

You could feel that something changed that Sunday morning
When the people approached the tomb of Jesus Christ
They thought He was defeated
When the angel came and greeted
Are you looking for the One
Who was on the cross?

CHORUS:

He is not here
He is alive
He is risen
The stone rolled away
He's out of that grave
It is finished
Glory and honor and praise
Worthy the Lamb that was slain
For He is not here
He is alive
He is risen

VERSE 3:

There was joy when they saw Him Sunday morning
Saw the holes in His hands, scar in His side
He said gather everybody
Go tell the world My story
I'm no longer dead, I am alive

CHORUS:

He is not here
He is alive
He is risen
The stone rolled away
He's out of that grave
It is finished

Glory and honor and praise
Worthy the Lamb that was slain
For He is not here
He is alive
He is risen

VERSE 4:

There's something in the air this Sunday morning
I can feel the power here right now
Because You're resurrected
My future's now in Heaven
By the power of the blood of Jesus Christ

VERSE 4:

There's something in the air this Sunday morning
I can feel the power here right now
Because You're resurrected
My future's now in Heaven
By the power of the blood of Jesus Christ
Now my name is written in the Book of Life
'Cause He's alive

CHORUS:

He is not here
He is alive
He is risen
The stone rolled away
He's out of that grave
It is finished
Glory and honor and praise
Worthy the Lamb that was slain
For He is not here
He is alive
He is risen
He is risen
He's alive, He's alive, He's alive

TAG:

Glory and honor and praise
Worthy the Lamb that was slain
For He is not here
He is alive
He is risen
