

## HOW CAN IT BE

Central Live

### VERSE 1:

The One who put the stars in motion  
Carved the canyons  
Poured the oceans  
Jesus  
Jesus  
He breathed in dust to make it living  
Knew our sins and chose forgiving  
Jesus  
Jesus

### CHORUS:

How can it be  
The God of all creation  
Is a friend to me  
He made it all  
And still calls me His masterpiece  
How can it be

### VERSE 2:

He left His throne to be a servant  
Knew the price and deemed it worth it  
Jesus  
Jesus  
He died the death when we deserved it  
It was grace, we couldn't earn it  
Jesus  
Jesus

### CHORUS:

How can it be  
The One who reigns forever  
Is a friend to me  
He broke the curse of hell  
And changed my destiny  
How can it be

### CHORUS:

How can it be  
The One who reigns forever  
Is a friend to me  
He broke the curse of hell

And changed my destiny  
How can it be

How can it be  
The author of salvation  
Is a friend to me

I give my life in worship  
To the King of Kings  
He lived and died  
Now heaven's my eternity

**CHORUS:**

How can it be  
The author of salvation  
Is a friend to me  
I give my life in worship  
To the King of Kings  
He lived and died  
Now heaven's my eternity  
If every breath I breathe can be an offering  
Lord let it be
